

Imperial CEO Sweet Sweet Love Chapter 136 To 140

Chapter 136

No. 136: the old man experienced a lot

thinking of Gu Mocheng, Su Zihan hated Su An'an even more. If it wasn't for suan'an, Gu Mocheng would be her.

"I have a pretty face. I don't know who it is." "They seem to have a good relationship," said Madame Mu and Mu Jinyu

Mujinyu's face was calm, thinking of the man who had beaten him, said coldly, "but a little white face."

In his thirties, it's not a little white face to be raised by su'an.

Little white face? Madame Mu doesn't think so.

"Little white face?" Su Zihan sneers at Mu Jinyu and decides to tell her the identity of the man.

See if mujinyu wants to recover su'an!

"That's not a little white face. They're the president of Gu's group!"

Su Zihan looks at Mu Jinyu with a smile. She says Gu Mocheng's name slowly.

"Gu Mocheng!"

Gu's three words are enough to shock Mu Jinyu and his wife.

Madame Mu thought of the man's temperament and thought it was Gu Mocheng.

But mu Jinyu didn't believe, "how could it be?"

"How could Gu Mocheng be him?"

That man's appearance is far better than him. Mujinyu has always regarded him as Su an's lover outside. Now she tells him that it's Gu Mocheng.

He can't and doesn't want to.

If it's Gu Mocheng, he's not just a face loser.

Looking at Su Zihan, Mu Jinyu said firmly that he would never be Gu Mocheng!

Back to the ward, suan'an put the soup bag on the table and said to Gu Mocheng behind him, "the taste of the bun is really delicious."

As she said this, she picked up a bun and went to Gu Mocheng's mouth.

Gu Mocheng looks at her, pauses and bites.

Su'an looks at Gu Mocheng with a pale face. How does he feel unhappy?

She took a bite of Baozi and secretly looked at it. Then she heard Gu Mocheng's cool voice coming from the top of her head.

"Old man?"

"Just love my money?"

Su'an was stunned. He heard what he said to Madame Mu just now.

Su An'an smiled at Gu Mocheng, "honey, you are not old, not old at all!"

Is it too late to flatter him now?

"You heard me wrong."

"Is it?" Gu Mocheng looked down at su'an and asked unhappily. He was more and more concerned about being said to be old, especially coming out of the mouth of a young girl.

"Oh." In response, Gu took a cigarette out of his pocket and smoked. Looking at suan'an, who pretended to be eating breakfast seriously, he asked, "that's my mistake."

"You don't mean to like rich men."

Gu Mocheng stared at suan'an, holding his cigarette end, and continued, "he also said that he likes the old man Gu Mocheng."

When he said this, he saw su'an, who was not afraid to return a word, and couldn't help laughing.

"Ann." He called.

Suan looked up at him smoking and shook his head.

"Say or not." Gu asked in a light voice.

Su'an was afraid of him, so he said softly

"No mistake."

Gu Mocheng is older than her. To her, he is an old man and has a lot of money.

"I didn't think I was wrong." Gu Mocheng looked at the little girl with her head down and even the bun in her hand. He smiled and blew the smoke in his mouth to her ear.

He was fascinated by the smell of tobacco. She blushed and looked up at his narrow smile.

He's flirting with himself!

"Well, it smells like smoke. I don't want to talk to you."

As she said this, she pushed Gu Mocheng away from her face and changed her place for breakfast.

But her heart has been messed up by Gu Mocheng. The delicious steamed stuffed bun is not as delicious as before. Su an is eating in peace of mind, secretly looking at Gu Mocheng who is smoking.

Why don't you come after her?

As she thought, Gu looked at her with a cigarette end. He looked at her and said, "come here."

As he spoke, he had already squeezed out half of his cigarettes in the ashtray on the tea table.

Suan didn't go. He came first, sat next to her, reached for her and put her in his arms.

"The old man has a lot of experience and will take care of others."

Gu Mocheng repeats what su'an said just now. Su'an wonders, how can he still say this?

"Yes, I mean." He admitted.

She nestled in Gu Mocheng's arms and sent the bun to his mouth to please

him.

Gu Mocheng knew her mind, took a bite, and heard that Su an said he was an old man. He was really upset.

But not angry with her. "Honey, is it delicious?" "I've been in line for a long time," she said

"Well, not bad." Gu Mocheng said, holding su'an.

In a short period of more than a month, he found that he was a little intimidating to spoil the little girl.

He talked about a fruitless love, because he was betrayed, afraid of love. For suan'an, he doesn't know if he is in love with her, but he knows that he likes to pet her.

"Ann, haven't you answered me? In your eyes, I'm really old. " Gu Mocheng thought.

Su an was relieved to think that Gu Mocheng was still talking about it.

"Well." She nodded her head, eleven years older than herself, of course.

As she spoke, she turned around and stared at Gu, "but I like it."

Her confession is direct and simple, and Gu Mocheng's heart is warm.

"Like my money?" He asked again.

"Who doesn't like money." Suan muttered.

For the first time, Gu Mocheng heard a girl directly admit that she liked his

money in front of him.

He smiled and didn't feel suan'an vain.

Yes, whoever in the world has no desire for money has it.

But some people in front of love have to say that they love him. Once they are oppressed and threatened, they turn to harm him.

Gu Mocheng likes the confession of suan'an.

Su An'an looks at Gu Mocheng and thinks that he has said something wrong. Men all like pure love, do not touch the material, but she knows that Gu Mocheng is the ruler of his family, he has money and power.

She likes him, like his people, naturally like his money.

There is no conflict.

"I like it, too." Gu Mocheng said something.

"What?" Su an an looks at Gu Mocheng in doubt and doesn't know what he says he likes.

Gu Mocheng smiled and didn't go on.

His words followed Suan's. He should like money. But in fact, he wanted to say that he liked her.

For many years, I haven't been in love, and I have never expressed my love to a girl, so I like it or love it. These words can't be said by Gu Mocheng.

"If one day you don't have money, I'll support you." Suan followed.

She guessed that after Gu Mocheng asked her, what if one day he fell out of his mind?

Gu Mocheng is amused by her words. How can he fall down?

Without Gu, he naturally had other ways to support himself and her.

Moreover, Gu Shi has him in, how can bankrupt!

There is no possibility of what Suan said.

But her words, let Gu Mocheng listen interesting, "OK."

He answered, "then I'll be your little white face at home."

Su'an is stunned, but he doesn't think Gu Mocheng will answer himself like this.

"Repented?"

"No!" Suan shook her head. "I'm trying to raise you and my sister. I'll have to work more in the future."

This is the first time I heard her talking about Su ruocheu from her mouth. Gu Mocheng knows something about Su ruocheu.

Suan didn't say, and he didn't ask.

"Well, then you have to work hard."

Chapter 137

When she mentioned her sister, Su an looked at Gu Mocheng and thought she should tell her sister about it.

"Honey, I have a sister."

Gu Mocheng listens, "en" after sound, signal Su an an to continue to say.

He knew that su'an's sister was su ruocheu.

"She is my sister." She added, "but she's not well."

She doesn't like to say that her sister is a madman, including herself.

One day my sister will wake up.

"Everyone outside is passing on her sister's marriage to a foreign country, but it's not."

At su'an's words, Gu Mocheng confirms that Su ruocheu is still at Su's house, and Su Hua may use Su ruocheu to blackmail su'an to do something he doesn't want.

For example, she married Su Zihan instead.

Suan was about to go on, when Gu Mocheng's cell phone rang, interrupting their conversation.

Gu Mocheng took out his mobile phone and looked at the number on it, then picked it up.

I don't know what was said at the other end of the phone. Gu Mocheng's face became solemn. He raised his wrist and looked at the time. He said to the person at the other end, "what's the earliest ticket to Jingcheng now?"

"Eleven?" Gu Mocheng frowned slightly and looked at su'an beside him.

Su'an's inspection report doesn't know if it has come out. The 11 o'clock plane has to go to the airport now.

Su'an contacted Gu Mocheng late last night to deal with his business. Seeing that he was in a hurry to leave, he knew that Gu's business was in trouble.

After Gu Mocheng hung up, he explained to su'an, "An'an, I have something to do to go to Jingcheng, the 11:00 plane."

The next flight was at 3 p.m., which he couldn't wait for.

Su'an is not unreasonable. She asked Gu Mocheng to stay with her for one night yesterday. "Honey, you can go."

She didn't get any serious injury, but it was a little skin injury. She could take care of herself.

Su'an's director felt guilty when Gu Mocheng heard that he would accompany her to wait for the report to come out.

Unfortunately, there was a problem in the cooperation between Gu and the Xu family in Jingcheng, so he had to rush to deal with it.

"Well." Gu Mocheng nodded, "come back and make up for you."

He said, uneasily, "I'll go with you to the doctor to get the report."

Su'an was afraid that Gu Mocheng would not catch the 11 o'clock flight, so

he said no. But Gu insisted on accompanying her to the doctor.

After reading the report, he was relieved.

Gu's fuss made Suan feel warm. They went to the doctor's office and reported that they had done it just a minute before they came in.

The doctor read the report and said there was nothing wrong with Suan.

"I said, I'm fine there's nothing." Suan smiled and said to Gu, "hurry up, or the plane won't catch up."

Su'an urges Gu Mocheng to leave. Gu Mocheng is relieved to see the report, but he is reluctant to leave.

Su'an accompanied Gu Mocheng to the gate of the hospital. The assistant had already driven to the gate of the hospital and waited for them.

"I'll call Uncle Chen and ask him to pick you up." Said Gu Mocheng.

When did he become a mother-in-law? He had to give a thousand instructions to a person!

"I can call him myself." "Don't think of me as a child," said Suan. "I can take care of myself."

Gu Mocheng smiles and touches suan'an's head. She is not a little wife in his eyes.

He lowered his head and kissed her on the forehead, then moved down and kissed her lips.

This is at the gate of the hospital. Many people come and go. Gu Mocheng's kiss makes Su an shy.

"Darling, wait for me to come back."

"I'll be good." Suan'an should say that she watched Gu Mocheng get on the car and saw his car go away from her. Her heart suddenly became empty.

Accustomed to two people together, suddenly he left, she really does not adapt. It's only a minute since we separated. She's already missing him.

I don't know when he will be able to deal with things well. I will see Gu Mocheng in a long time.

Su'an is very worried about Gu Mocheng. Gu Mocheng also thinks about the little girl.

She had just been beaten. Gu said he was not sure that she was alone at school. He thought about it and called Mrs Gu.

"Mom, I'll go to Jingcheng."

Old lady Gu didn't feel much when she heard that Gu Mocheng was going to Jingcheng.

When her son was older, she was used to that he could not always be around her, and now she just wanted to cheat Suan into coming home to accompany her.

But then she thought of Suan.

"What goes to Jingcheng? What about Ann? "

"You really are. As soon as Ann is out of business, you will leave her behind." Mrs. Gu accused Mr. Gu of making money and ignoring his wife.

Gu Mocheng went straight to the local area and said, "take Ann back to the old house and take care of her." "Well." Old lady Gu was stupefied, and she answered quickly.

Afraid of Gu Mocheng's regret, she hung up the phone.

"Old man, please arrange bodyguards and drivers for me. I'm going to the hospital to pick up my daughter-in-law." After Mrs. Gu hung up the phone, she went to the second floor excitedly. Gu Zhen, who was so noisy that she couldn't continue to work.

Gu Zhen looks up at the smiling old lady Gu.

"I'm going to pick up a little girl. Do you need such a big show?"

www.onlinefreenovels.com

In other words, Gu Zhen went out of her study to change clothes in her bedroom and planned to live with her.

Gu Zhen was afraid that other people might have done something about su'an's being beaten. He and Gu Mo Chengdu found someone to investigate, but they didn't find out who did it so quickly.

If you are an ordinary person, you should find out who is out of the hand very soon.

But, No. That means the other side has a certain influence.

"What are you going to do with it?" Old lady Gu said unhappily as she

watched Gu Zhen follow her.

"If you don't follow, what will they do if they beat you?" Gu Zhen returns a sentence.

Old lady Gu was not moved by his words. She looked up and down at Gu Zhen. "Who can you beat as an old man? Don't let someone beat you."

Gu Zhen's face is cold. He is kind enough to accompany her in the past, so he is despised!

Su'an didn't know that Gu Zhen and old lady Gu were coming to pick her up. After delivering Gu Mocheng, she plans to go back to the ward to clean up her things, and then calls Fu Xin to ask her out to play.

She turned to the hospital and looked up to see Mu Jinyu standing in front of her.

Mu Jinyu's hands are hung on her neck, which looks funny.

He stared at suan'an with cold face. He saw both Suan and Gu Mocheng kissing just now.

"Ann, how could you be like this?" Said Mu Jinyu disappointed.

Every time she meets Mu Jinyu, she hears such words. Su an is really tired of hearing them.

She went on, Mu Jinyu asked, "is that man Gu Mocheng just now?"

Su'an is surprised. How does Mu Jinyu know the identity of Gu Mocheng.

She nodded. There was nothing to hide.

"Well, my husband."

She said it with a little pride and pride.

No way, she is so happy to find a good husband.

"Because he is better looking and richer than me, you choose him." Hearing su'an's sweet words, Mu Jinyu's face became ugly.

Su an an smiles and nods. Mujinyu is still a little self-conscious.

"Yes."

"He has a lot of money! Are you richer than him? "

"Look at your appearance, even if you go to the whole face, you don't look good."

Suan said that Gu Mocheng was perfect in her mind, "there is no way, he is better than you."

More than ten streets have been abandoned.

"You say I don't choose him, who?"

Chapter 138

Mu Jinyu's face was blue with su'an's words.

"Mujinyu, please give up. I'm really not interested in you. Because you really can't compare with Gu Mocheng. " Su an an said in a positive voice that this

time Mu Jinyu should know that he really doesn't like him.

Before mujinyu thought that Gu Mocheng was an ugly and old man, so she thought that su'an would not like Gu Mocheng.

But Gu Mocheng was the man who beat him in the hospital last time, so Suan really liked Gu Mocheng.

Mujinyu didn't want to admit that his previous self-confidence was defeated by Gu Mosheng in three words and disappeared completely.

"Don't stand in my way, or you'll have to break your hand a third time." Said Suan in a cold voice.

After that, mujinyu didn't pester su'an any more.

He let go here, and Su An'an saw Su Zihan standing in front of them.

When she saw Su an and Mu Jinyu together, her voice became shrill.

"Suan."

"You bitch, seduce your brother-in-law shamelessly." Su Zihan swears.

Her words were hard to hear, and Mu Jinyu frowned.

Mujinyu didn't know that Su Zihan scolded people just like a shrew. One bite of a "bitch" seems to come from the mouth of a famous family.

"Su Zihan, don't mess with me." Said Suan in an angry voice.

And a mujinyu to say clearly, and have to say with Su Zihan, really tired of her.

Su Zihan ignored the threat of Su An'an and said with a sneer, "Mu Jinyu and I have got a license to get married. If you step into our marriage, you are a shameless junior."

Su Zihan is shouting. People come and go at the hospital gate. Hearing Su Zihan's words, they all look at su'an with strange eyes.

They look down on juniors and women who destroy other people's families.

Su An'an looked at the passers-by who pointed at him and heard Mu Jinyu say to Su Zihan, "Zihan, what are you talking about?"

At the sight of Mu Jinyu speaking for Su An'an, Su Zihan was even more angry. "Brother Jinyu, I love you wholeheartedly, and you are so kind to me."

"Just because ANN is prettier and younger than me, you have a crush on her."

Su Zihan said, tears in his eyes, want to attract the attention of passers-by, let them scold Su An'an.

"My sister's acting is good." Su'an sneered.

"I'm not interested in other people's husbands." Suan said that her husband is so good, how can she look at others.

"Unlike you and auntie Jiang, I like to rob others' things."

"Even if your mother is Mrs. Su now, she is also a shameful junior." Su An'an said sarcastically that when Jiang Mei looked at China and Suhua, whether Suhua had a family or not, she slept with Suhua by all means.

After that, she tried her best to force suan'an's mother to give up her position.

But for Jiang Mei's coercion, how could mother die?

Su An'an's look at Su Zihan is full of hatred.

"You, nonsense!" Su Zihan can't stand others saying that her mother is a junior and a lover of Su Hua.

So in recent years, she has been fighting against su'an. It's hard for her to live in su'an.

"I'm the right lady of the Su family. You're a bitch." Su Zihan's angry voice scolded, and he didn't remember to be gentle at all.

"Su Zihan, what are you shouting at! It's to tell everyone that you're an illegitimate girl." Suan sneered.

"Ah!" Su Zihan can't stand it. She hates to hear the words "illegitimate daughter".

In the past, when Jiang Mei took her out to the party, she heard many people say that she was an illegitimate daughter. If Su Hua is present, it's up to them to say they and their mother.

"Shut up, Suan!" Su Zihan snapped, unable to contain her anger and ran to slap su'an.

Su An'an is waiting for her to come here. She falls over her shoulders and falls to Mu Jinyu. It's easier to hit Su Zihan.

With Gu Mocheng protecting her, she has nothing to worry about.

Su Zihan's hand came over. Su an grabbed it and slapped it with the other hand.

Su Zihan is confused. He is not the first time to fight su'an, but he is beaten by su'an.

"Suan, you dare to hit me." Su Zihan covered his face and cried.

Su An'an thinks that Su Zihan is in need of beating. Every time she sees her, she has to find something.

"Su Zihan, you provoke me, I slap you, you can try to scold me" bitch "next time." Su'an's cold face threatened.

Her cold words made Su Zihan think of Gu Mocheng.

Su Zihan covers su'an's painful cheek and tears in his eyes. He doesn't dare to provoke su'an again.

www.onlinefreenovels.com

Suan was relieved and headed for the hospital.

Madame Mu came out with Mu Jinyu. She saw Su Zihan's crazy appearance, and then saw su'an coming face to face. She wanted to say hello to su'an, but she didn't know how to open her mouth. After su An'an left, Su Zihan returned to her mind. She looked at Mu Jinyu beside her and asked angrily, "Mu Jinyu, are you a man? Let other women beat your wife."

Mujinyu coldly glanced at Su Zihan and ignored her.

Now Su Zihan is more and more boring to him.

"Mu Jinyu, what do you mean? You useless man will see his wife beaten! "

"I asked for it." Mujinyu said in a cold voice.

Su Zihan listens to his words, clenches his fist and hits Mu Jinyu.

Mujinyu's hand is bound, but it can't be reached at all. He hides Su Zihan's fist, and her fixed arm hurts again.

Madame Mu saw that her son was beaten by Su Zihan again. She angrily went up and threw a slap at Su Zihan, who hit people crazily.

Su Zihan was slapped in the face, and she felt aggrieved.

After being slapped by Su an, mujinyu didn't make the decision for her, and was beaten by his wife.

"Su Zihan, crazy enough!" Madame Mu snapped, "just like you, you deserve to be our Jinyu's wife!"

"You look like a wife? In the face of so many people beating their husbands, you don't want to be ashamed. We need to be ashamed! "

Su Zihan is scolded by Madame mu, and tears fall down. "You bully me!"

She clenched her fist. "Mujinyu, wait for me. My mother and grandmother won't let you go. "

She turned and ran away crying.

Mu Jinyu looks at Su Zihan's face and goes away. Mrs. Mu anxiously says to Mu Jinyu, "ah, I just laid heavy weight on it. When she goes back, Jiang Mei can't spare us. "

"Or I'll call her and apologize to her." Madame Mu thought.

"No more." Mujinyu said in a cold voice, "let her do it."

"But," said Madame mu, and mujinyu, "Ma, my hand is a little sore."

Hearing Mu Jinyu's saying that her hand is sore, Mrs. Mu quickly helps him to find a doctor.

This hand just connected a few days, but don't be interrupted by Su Zihan again.

Back and forth to break a few times, Jin Yu's hands do not have to be finally abandoned.

The people at the gate of the hospital have left because of Su Zihan. They begin to think it's a play in the main room of the third party. When they see it, they know that Su Zihan is looking for something.

Suan had nothing to pack. She quickly took her bag out of the hospital.

She called Uncle Chen and told him that she didn't have to answer her.

Then, Su an has an appointment with Fu Xin. She is waiting for Fu Xin at the gate of the hospital.

She didn't wait for Fu Xin. She waited for Gu Zhen and his wife.

Seeing old lady Gu and Zhen Gu, Su Ann was stunned. She thought they came to see her.

Chapter 139

"Hello, mom, Dad." Said Suan politely.

Looking at her lovely daughter-in-law, old lady Gu opened her mouth with a smile. Gu Zhen's face was taut. He also remembered that he had a drink with su'an last time and was finally scolded by the old lady and Gu Mocheng.

"I'm fine. You don't have to come to see me when I leave the hospital today."

They are not only looking at suan'an, but also coming to take her to live in her old house.

"Let's go." Gu Zhen said to Su an in a low voice.

Su an an doesn't understand. Where to go? She also made an appointment with Fu Xin to play.

"Mom, I have a date with my friends." Su An'an is a little afraid of Gu Zhen. She turns to look at the old lady who is smiling at her.

"Just in time, call your friends to play at home." Mrs. Gu took su'an's hand and cheated her into going home at such a good chance. How could she let her people go?

"Go home?" Su'an was surprised. He went to his old house.

She doesn't want it!

"Why, you don't like living with us." The old lady immediately pulled down her face, pretending to be unhappy, and said, "my son doesn't see us, and even my daughter-in-law doesn't like us both."

"It's the same. I'm old enough to be despised."

As soon as Mrs. Gu finished speaking, su'an continued to take over, "no, no, No."

"If not, come home with us." Old lady Gu waited for su'an's words. She said that she took su'an's hand and got on the car.

"I'll make a phone call with Mo Cheng." Su'an said in the name of Gu Mocheng.

She always felt that she went to the wolf's den to look after her family.

"You girl, I'm afraid we'll kidnap you." Gu Zhen said angrily, "come all the way to pick you up, somehow or not."

Being scolded by Gu Zhen, Su an lowers her head.

Old lady Gu immediately glared at Gu Zhen and did something so fierce to her daughter-in-law.

"Cheng Cheng called us. Let's take you to the old house."

"I'm going to school tomorrow." Said Suan.

Gu Zhen's face was cold, and he ignored su'an.

"At school, your father said hello. You've just been injured. You'll have a good rest at home these days. "

Su remembers that Gu Zhen and the president of Ningcheng university are good friends. There's a back door. If you want to go to school, you don't want to go.

Su An'an wants to come and go, but she can't find a good reason. Her lost expression falls into the eyes of old lady Gu, who sees through her mind. "No

reason."

"Please come back to our old house and stay for a few days. Don't worry, I won't bully you."

When I heard this, su'an thought that she would be bullied by old lady Gu.

Old lady Gu is in a good mood. She finally tricked her daughter-in-law to Gu's house. Is this a show off of her daughter-in-law by playing mahjong or taking ANN to the banquet first.

As soon as su'an arrived at Gu's old house, he received a text message from Gu Mocheng.

Gu Mocheng is going to get on the plane. He sends a message to suan'an before shutting down.

"Wait for me to come back."

Six words is Gu Mocheng's short style, which makes Su An'an chuckle.

Gu, who was walking with suan'an, glanced up at the text message and said, "it's no use chasing girls like you."

The content of the message fell into the eyes of old lady Gu, who said to Gu Zhen contemptuously.

Su'an covers her mobile phone, and she hears Gu Zhen "hum".

"I have no means. You will marry me."

"I followed you first." Said Mrs. Gu, not satisfied.

Gu Zhen shakes his head. Up to now, he still thinks that she chases him. How can he know that he intentionally gives her water.

He doesn't like her in his heart. It's no use for her to keep up with her.

Forget it. The old woman is old. He doesn't want to talk to her.

Gu Zhen walks ahead quickly and ignores the old lady. She doesn't mind and is not angry. Now she focuses on su'an.

"Ann." Old lady Gu came to suan'an and said, she looked up and saw the cunning in her eyes. She had a bad premonition.

"Can you play mahjong?"

Su An'an was shocked and shook her head. She still didn't tell Mrs Gu that she was very good at playing cards and playing mahjong.

www.onlinefreenovels.com

At first, su'an said she would not. Mrs. Gu was very happy. Her skill of playing mahjong is so bad that she always loses to her card friends. She always wants to find someone to take the bottom. The old man and Gu Ziming in her family are very good.

She has finally found a bottom one to make her look good.

"I'll call Ziming and ask him to come back and play mahjong." Said old lady Gu happily.

Gu Ziming's eyelids had been jumping before he received the call from old lady Gu. He was scolded by old lady Gu that he dared not go out to fool around. Today, he went to class obediently.

"Grandma, I'm in class."

"Go home now." Said old lady Gu."Grandma, I'm really in class now. I can't leave." "Our professor is well-known and strict in the school. If he finds out that I'm truant, I'll be deducted all my credits," explains Gu

Gu Ziming didn't want to go back to the old house. As soon as she went back to the old house, the old lady caught him because he was bored and didn't let him go. She didn't want to ask grandpa to beat him.

"I asked your grandfather to call the headmaster. They have a good relationship." Old lady Gu wants to go through the back door again.

Gu Zhen, who arrived in the living room, frowned when he heard Mrs Gu's words.

Let him call again.

In the past, su'an was not allowed to live in the dormitory. Yesterday I called to treat su'an. Now I ask Gu Ziming for leave.

What's more, the real reason for Gu Ziming is that the old lady wants to play mahjong without one in three.

"It's not good for grandma." Gu thought it would be bad for the old lady to ask for leave suddenly.

"What's wrong? I miss you, grandma." Said the old lady with disapproval.

Gu Ziming didn't want to go back, but also wanted to say, Gu said angrily, "if you don't come back, I'll let your grandfather go to school and beat you."

"Let you surf the Internet every day, and drive outside every day!" Gu said angrily, "come back soon. I'll see you in an hour."

No, she's itching now. She can't wait an hour.

"Half an hour."

Said, old lady Gu proudly hung up the phone, she looked at su'an, who was sitting on the sofa and staring at herself, and smiled.

"Ann, let's play mahjong together when Ziming comes back."

Gu Zhen was annoyed. He asked him to call the president of the university to ask for leave, just to find someone to play mahjong for her.

"Not like words."

He scolded angrily. Mrs. Gu saw him stand up and walk away. She said to his back, "come to the living room in half an hour."

Gu Zhen is so angry that he takes out his cell phone to call his friend when he goes upstairs.

Su'an is very strange to old lady Gu's phone call. She was stared at by old lady Gu. If something bad happened to her.

"Ann, I'll go to the kitchen and stew some soup for you. You can have a seat first." Old lady Gu thought that she would take advantage of this half hour to stew a bowl of soup for suan'an.

The soup is ready, and Ziming is back.

"I don't want it." Thinking of the taste of the stewed soup last time, Su an an shook her head and didn't want to drink it again.

"Don't you say it's good to drink?" "I've improved the soup this time. It must taste better than before," she said

No one dares to drink what she makes. Old lady Gu can only toss su'an.

Su An'an looks at old lady Gu and happily gets up to go to the kitchen. She thinks she's going away now. Will they let her go back to school?

Chapter 140

Uncle Chen sent Xiaobai to su'an. This is Gu Mocheng's idea. I'm afraid su'an is bored in the old house. Su An'an is very grateful to Uncle Chen. When old lady Gu boils the soup, she takes Xiaobai out to walk around for an hour. When she comes back, old lady Gu can't wait for her to share the soup with others.

Who else in the Gu's family can drink what the old lady makes? It's Gu Zhen. I'm tired of worrying about my husband.

Suan's idea. She's settled.

Su An'an leads Xiaobai out of the garden. She doesn't go far to hear the angry voice of the boy, "he an."

He an, as Fu Xin knows, is Gu Ziming.

She looked back and saw Mingshao, wearing a helmet, driving towards her on a motorcycle. Su an looked at the four developed roads and didn't know which one to run.

Besides, her legs don't seem to run on the two wheels of the locomotive.

After Gu Ziming and the old lady finished the phone call, they stood up and walked away from the front door of the classroom. They saw the professor's eyes straight.

No one has yet escaped from his class in an aboveboard way.

Gu Ziming stood at the door of the classroom and explained to the professor, "my grandmother asked me to play mahjong. My grandfather has called the principal to ask for leave."

The reason for skipping class?

He rubbed mahjong with his grandmother and asked for leave from the headmaster. He was so angry that the professor smashed the book in his hand to Gu Ziming.

Gu Ziming will run. Anyway, he is afraid of something under the cover of his grandfather.

Riding his precious motorcycle, Gu Ziming hurried to Gu's old house. If he came back late, he must be killed by his grandmother.

He didn't ride to the gate of Gu's old house. He saw a familiar man holding a familiar dog in front of him.

The focus is on people. Isn't the girl playing with him yesterday?

How can Gu Ziming not be angry when he sees his enemy? This time he had to run naked!

"He an." Seeing that su'an was about to run, Gu Ziming put on the gas and rode quickly to her face.

"Where else do you want to run?"

Suan looked back at him. He could not run his locomotive even if he wanted to. But his car is so handsome!

Su an an stared at Gu Ziming's locomotive and couldn't help but reach for his handle.

"He an, I waited at the door of your dormitory for a long time yesterday." Gu Ziming gnashed his teeth and said, thinking of being played by he an again and again, he hated him very much.

"Ha ha." Suan smiled and said, "that's your fool."

It's really stupid. It's so easy to believe a person's words.

"You!" Gu Ziming got out of the car, took off his helmet and said to su'an calmly, "you have to pay me back today."

"What else?" Asked Suan.

"We didn't lose or win the last game, so," he said, so he didn't have to listen to suan'an's terms and dance underpants.

"You're going to do it yourself." Su An'an said that he believed what she said and didn't find anyone he knew to prove it. It wasn't Gu Ziming's simple mind.

Gu Ziming's face was blue because of su'an's words. He was angry.

"He an, you have to run naked for me today!"

He wants to go back and forth, his underpants dance, so Suan has to return him, also have to run naked.

"For the sake of being a girl, just run in underwear." Gu Ziming's face relaxed and said proudly, "if you don't fulfill the conditions I said today, don't want to leave."

Su an an looks at Gu Ziming and thinks how to escape?

What's the difference between running in underwear and running naked!

If Gu Mocheng knew that she had been racing with people before, she would be angry.

"Ha ha." Su an an smiles at Gu Ziming. "Ming Shao, run here?"

"There are few people here. It's not interesting for me to run." Su'an said, let's avoid today.

This is the outskirts of the country. It's a villa for the family. There are several families nearby. They are all famous people in Ningcheng.

There are few people, but the impact of running in Suan is no less than running in the city center.

Gu Ziming looked around. It was cold and clear here, but he didn't see a few people.

He thought for a second, no, today I won't let Suan run away. I don't have to meet her next time.

"Run here." Gu Ziming decided.

Seeing that he was not deceived, su'an was in a hurry. She looked down at Xiaobai at her feet. Shit, Xiaobai, the traitor, has been around Gu Ziming, rubbing his feet from time to time.

Su An'an wanted Xiaobai to go ahead and bite Ming less. Then she took the opportunity to run away.

Now Xiaobai is building a friendly relationship with Mingshao. What should she do?

Not really running in underpants here!

"There are too few people here." Said Suan.

Gu Ziming took out his mobile phone and said to su'an, "it's OK. I'll take pictures and put them on the Internet." Sue Ann was stupid when she settled down. It's a cruel motto.

Gu Ziming finds the camera in his mobile phone, and when he looks at Su An'an, Xiaobai in his footsteps grabs his trouser legs desperately.

He looked down at it, took off his mouth and said, "general, don't bite!"

General? Su'an is stunned. Gu Ziming knows her family's Xiaobai. Does she want to borrow Xiaobai to get close to him.

When Suan thought about it, the voice of old lady Gu came to her ears.

"Son of a bitch, what are you doing there?"

Gu Ziming listened to the voice of the old lady and looked at the time on the mobile phone.

"Bad."

He has been more than half an hour, so grandma has to let Grandpa beat him angrily.

"Grandma." Gu Ziming put away his mobile phone and was afraid to let Su an run naked.

He said, turning to look at the old lady Gu who came, "I'll come in right away."

He said to push his own locomotive, but old lady Gu called him and ignored him. She went straight behind him.

"Ann, come in quickly." Old lady Gu smiled and said softly.

Gu Ziming was stunned and turned to look at su'an and went to the smiling old lady Gu.

"You son of a bitch, don't call someone soon."

Gu Ziming is even more ignorant, call a person? What is called?

Who is he an? Why does grandma treat her so well? It can't be that grandma is too bored. Let's find a date for him.

"Grandma, I'm still young." Said Gu Ziming. "Don't look for a girlfriend."

Old lady Gu lowered her face and scolded Gu Ziming, "nonsense."

As she spoke, su'an had already come to old lady Gu.

From their conversation, she knew that Mingshao was the grandson of old lady Gu, her nephew.

This sudden rise in seniority makes Su an very happy.

"Auntie!" Old lady Gu said to Gu Ziming.

"Auntie?" Gu thought he must have misheard her. Why did he call her "aunt".

The girl is smaller than him.

"Darling." Su An'an replied with a smile, "Zi Ming is so lovely."

"My dear." Gu Ziming said angrily.

Old lady Gu was angry. She reached for the back of Gu's head and hit it. "It's not polite at all. Wait for your uncle to come back and beat you."

Gu Ziming was hurt by the old lady. He touched his head. Why did the second uncle come back and beat him?

Auntie? He looked at suan'an with a smile on his face and thought that he had heard from his grandparents that uncle Er had found a wife younger than him.

Shit, he an is the second uncle's wife.

It's not that the second aunt is obedient. The girl in front of him and his car racing, played him three times, where obedient!

"Damn it!" Gu Ziming scolded him unwillingly, and old lady Gu knocked him on the head again.

"How to scold! Learn from your second aunt. "
